BURIAL OPTIONS - Cremation Only Lots

What is an In-ground cremation only lot?

- Single grave lot that can accommodate up to 4 cremation urns.

What is the difference between burying a cremation in a regular grave versus the new cremation only lot?

- In a regular grave, cremations are buried in their own individual cremation liner. In the new cremation only lots we can bury up to 4 cremation urns in one 30" liner.

Why choose this option?

- The new cremation only lots would save your loved ones because the bulk of the burial cost is being paid up front. Overall the savings on a regular 2 grave side by side lot to bury 4 urns versus a cremation only lot for 4 urns is \$1,000.

How do I know this option is for me?

- If you know that yourself and possibly your loved ones want to be cremated, this option is for you. Please note: caskets cannot be buried in the cremation lots.

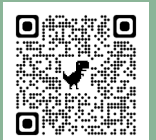

To explore this and other options, please visit the "Burial Options" of our website, or call our office at 401-762-1100 to discuss.

Cemetery Improvements

We have been working diligently on modernizing both the cemetery records as well as the grounds. Here are a few of the recent updates we have made and are gearing up to make.

QR Code Signs

You might have noticed new signs with a QR code. Simply use the camera on your phone and it will take you right to the "Locate a Loved One" section of our website. We have these signs posted strategically throughout the cemetery, so while you are searching for your loved ones grave, you can easily access the website.

Foundations

In partnership with the St. Stanislaus Mutual Aid Society, we will be repairing 18 headstone foundations in the St. Stans section of the cemetery. This work is scheduled to begin this summer.

Cemetery Records

The process of updating our records has certainly been a labor of love for me. Some of the records we have date back to the 1800s and don't even have peoples first names. I have been able to piece together a lot of information by using the state archives, which allows us to gain a more comprehensive understanding of who is buried in our cemetery.

Weed whacking/Cutting Schedule for May:

May 8-19: Weed Whacking Only

May 22-June 2: Cutting Only

Please be patient as we get our cemetery prepared for Memorial Day.

MOVING?

If you are moving or have moved since you have received your deed, please contact us to update our records. You can call us at 401-762-1100, email us at stcharlescemetery@hotmail.com or use the "contact us" button on our website www.saintcharlescemetery.com
